Coursework Title :	Point and Surface Based Registration
Lecturer:	Matt Clarkson
Date Handed out:	09/02/2016
Student's Name:	Maria Ruxandra Robu
Student's e-mail address:	maria.robu.14@ucl.ac.uk

Coursework Deadline:	18/03/2016
Date Received:	
Date Returned to Student:	

Before completing and submitting this piece of coursework please check that you are fully aware of the MPBE policy on plagiarism (See your Student Handbook).

Please indicate what areas of your coursework you particularly would like feedback on:

Also note the penalties for late submission:
- The full allocated mark will be reduced by 5 percentage points for the first working day after the deadline for the submission of coursework.
- The mark will be reduced by a further 10 percentage points if coursework is submitted during the following six days.
- Coursework that is submitted later than seven days after the deadline, but before the end of the first week of term 3, will be recorded as zero but the assessment will be considered to be complete.
- Distance learning coursework deadlines may vary to those of campus-based modules and may offer more flexibility. Contact j.harle@ucl.ac.uk for details, or visit the distance learning moodle pages.

Mark (%):

Please note that the mark is provisional and could be changed when the exam boards meet to moderate marks.

For Office Use Only
Reason for late submission of course work:
